

Soprano Emily Casey, hailed as a "red-haired vixen with a sparkling voice" by Opera Canada, commands stages in the US and abroad with her dramatic coloratura. Renowned for collaborations with opera companies worldwide, her vocal artistry and compelling dramatics have earned universal acclaim. This season brought about a series of role debuts including Konstanze (*Die Entführung aus dem Serail*), Giulietta (*I Capuleti e i Montecchi*), and Michaëla (*Carmen*). Reviewed as a triple-threat to look out for, Casey also shines in musical theater and concert work. Recent highlights include Gianetta in Gilbert & Sullivan's *The Gondoliers*, Beethoven's 9th Symphony with Richmond Symphony Orchestra and Barber's *Knoxville: Summer of 1915*, where critics praised her for her musical lyricism, poignancy and power.
