

All Saints' Memorial Garden

1. The All Saints' Memorial Garden was established to provide for the burial, within a designated area of the churchyard, of the cremated remains of members of St. Anne's Parish.
2. The following guidelines and conditions apply to the use of the All Saint's Memorial Garden:
 - a. Area: The designated area is the grass area enclosed by the fence around Church Circle, the inner sidewalk and the two walks and gates opening to Duke of Gloucester Street and toward the Governor's Mansion.
 - b. Markers: There are no individual site markers. There is an appropriate marker in the area behind the apse of the church, outside of the inner sidewalk, to indicate the presence of the Memorial Garden. There is a marker plaque within the church near the Alden doorway, with individual nameplates indicating those buried in the Memorial Garden and their birth and death date. The cost of such markers is charged by the Church Circle Beautification Trust out of its share of the fee.
 - c. Records: There was a book established to provide for a permanent recording of the names of those buried in the Memorial Garden.
 - d. Fees: There will be a base charge of \$1,000 for each burial in the Memorial Garden. This fee does not include opening and closing fees, which must be arranged through a funeral home. For those who have had a historic association with St. Anne's and have not been Members in Good Standing for two years preceding their death, the fee shall be \$2000. This fee does not include opening and closing fees, which must be arranged through a funeral home. The fee may be modified or waived by the Rector as he may deem it appropriate.
 - e. Eligibility: All persons who were Members in Good Standing (known to the Treasurer and have been active participants in church until at least two years prior to their death) of St. Anne's Parish shall be eligible for burial in All Saints' Memorial Garden. The Rector shall have the pastoral prerogative to extend this privilege to other persons, as the Rector may deem appropriate. For those in that category, the fee shall be \$2600.00.
3. It shall be customary for the burial service to take place in St. Anne's Church. If the ashes are then present, they shall be processed immediately to the burial site and committed. If the ashes are not available or not present at the time of the service, the ashes may be buried at a time agreeable to the Rector and the family concerned.
