Dear Friends in Christ,

As you know, we celebrate our 325th anniversary as a church this year, with our big celebration on Sunday, September 10 at our 9:30 AM Eucharist. I hope you are all coming to the service to celebrate our life together as a vibrant church community today and give thanks for 325 years (so far!) of Christian life and love in this place. So much has changed in the past 325 years, including the ways we communicate within our church community. We are about to make a small change that we hope will enable us to serve our parish better, get the word out faster about ministries opportunities, and reach more people.

The Circle, as a monthly newsletter, is coming to a close with this edition. Instead, we will produce a weekly emailing that will also be available on our website. This will be similar to our current weekly eblast, but now will be our primary vehicle to get both short announcements and longer informational pieces and reflections out to our parish. We will still print out and mail copies to our parishioners who don't have email. We will email it to everyone in our parish for whom we have an email address. Rather than people needing to subscribe in order to receive it, it will just come, and it will have easy instructions for people who wish to unsubscribe.

How you can help:
Do you currently get a paper copy of the Circle? Can you switch to an electronic copy? If so, call Kirsten Hair (410-808-1372) or email her khair@stannes-annapolis.org and let her know you are able to help us save some postage.

Do we have your current email address? If you're not sure, email Kirsten and let her know what address you want us to use to help us keep in touch.

Do you have an article, announcement, or photograph to submit? Send it to Kirsten Hair.

Once again, St. Anne's parishioners came through with flying colors!

A huge THANK YOU goes out to those who donated backpacks, school supplies and money for the children -Kindergarten through 5th grade-- who attend Annapolis Elementary School. These children will begin the school year with the tools necessary to ensure success in learning.

Nikki Aseltine did a superb job putting the name tags and lists together so that the sign-ups were able to run smoothly. Nikki's organization and willingness to help made the program a pleasure to handle. Thank you Nikki and Valerie for keeping track of the backpacks in the Parish House and Valerie and Peppy for loading the backpacks from the Parish House to Clay Richard's vehicle.

Thank you Debi Luther, Anne Devadason, Monica and Bill Barry, Howard Buskirk, Mary Greczyn, Elizabeth Rogers, Carolyn Purdy and Karen Davis for helping us monitor the name tag bulletin board before and after Sunday services. Your presence and helpful assistance at the sign-up table enabled willing donors to connect with their tag of choice!

Clay and Carol Richards and Eleanor Huggins deserve a special thanks for their donation of time, energy, muscles and giving spirits! They also provided their vehicles to assist Jeanne and me in the delivery of the 138 filled backpacks on Tuesday, August 22. Once the three vehicles arrived at Annapolis Elementary School, we carted the backpacks into the school with the help of Andrea Beckmann, school counselor and Shamierah Chase of Annapolis High School and Key'waun Downs and Jayoun Willard from Bates Middle School. With everyone's help, the mission was successfully accomplished!

In addition to the 138 backpacks, St. Anne's parishioners donated $985 to go towards student activity fees, additional supplies and uniforms.
Andrea Beckmann expressed her gratitude and the gratitude of the parents for St. Anne's parishioners' generosity. She was truly amazed with the love and kindness of the people from St. Anne's Parish.

This ends another year's successful backpack program supporting those in need. St. Anne's is blessed to have so many members with giving hearts and concern for God's children in our community. It is wonderful how willing St. Anne's parishioners step forward in such a big way to help those in need. Your support is so very much appreciated. THANK YOU!

Peace,
Bill and Jeanne Malicki

Thank you so much to everyone who volunteered at the HOLY WATER STOP for the Annapolis 10-mile race on August 27!

Foyer Group Fall Potluck Kickoff: September 24 at 6:00 PM in the Parish Hall

You're invited! Please join us for the new foyer season!

Foyer groups are an integral part of the community life at Saint Anne's. They function as a ministry of St. Anne's by further building Christian community and fellowship among parishioners. Participating in foyer groups is a fun and easy way for parishioners to gather together on a regular and informal basis, develop new friendships, and deepen old ones.

New foyer groups are formed each fall. Each group consists of approximately 8-12 people who meet every four to six weeks between October and June. Each group sets its own schedule and normally shares an informal communal meal, hosted in turn by members of the group. The format is flexible; some meet for dinner. Others might meet for lunch or brunch. Some meet in restaurants. In December, all foyer participants gather for a
Christmas party, and, in June, we celebrate the end-of-the-foyer season with a picnic for all members in the churchyard. It is great fun, and we hope you will join us.

New, as well as returning members, are eagerly anticipated for the 2017/2018 foyer season. If this sounds interesting to you and you would like to learn more about the foyer groups, please join us.

Please email Elizabeth Rogers at elwrogers@icloud.com to RSVP or for more information. Those attending the event are asked to bring an appetizer, salad, or other dish to share - along with your beverage of choice.

We very much look forward to seeing you!

Elizabeth Rogers, Susan Veccia, and Petey Cosby

We have a new video on our website! We're calling it Try St. Anne's. The video gives common reasons people don't go to church-common assumptions about why they wouldn't be welcomed and the realities that address those misunderstandings about church. We've put it on our website home page (it's at the bottom on the left hand side. It says Try St. Anne's -video) so anyone can find it and so that you can easily point people you know or meet who may need to know that they, too, would be welcome at St. Anne's Church.

WHO IS BURIED IN OUR CHURCHYARD?
WILLIAM BLADEN (1673-1718)

This is the second in a series of occasional essays on the lives of some of the 22 individuals who are memorialized on tombs and gravestones in the churchyard.

The tomb furthest from the church in the pictured row of four altar tombs on the northeast end of the churchyard covers the remains of William Bladen.

In October 1712, Attorney General of Maryland, William Bladen, sent a bill of indictment to the grand jury charging Virtue Violl, a spinster, "being Seduced by the devil most Wickedly and diabolically did Use Practice and Exercise Witchcraft" to "lame" Elinor Moore's tongue and render her speechless. Virtue pled not guilty; a jury agreed and the court discharged her. This was the last witchcraft trial in
Maryland's highest trial court - a time when most educated people in the colonies had ceased to believe in witchcraft. This was hardly Bladen's only failure to get a conviction in his 14 years as Attorney General. He won convictions in less than half of the cases he took to trial.

An ambitious and well-connected William Bladen arrived in Maryland from England in 1692, immediately becoming an assistant to the new Provincial Governor, Lionel Copley. Copley handed Bladen several official assignments relating to the governor's contentious dealing with the legislature. Copley soon died, but the new governor, Francis Nicholson also placed a loyal William Bladen in several official positions. His star continued to rise working for the next two governors - Nathaniel Blakiston and John Spencer. In fact, in the 26 years before his death in 1718, Bladen held at least 17 different government offices, sometimes as many as nine at one time. Together, these positions made him rich. The lower house of the legislature complained that "offices would be better officiated and business better done and sooner dispatched" if separate people held such offices, but Bladen, ever loyal to each governor, managed to retain the positions. There is evidence the legislature was right, that Bladen was too busy, and that the offices were not always well "officiated."

In addition to his many profitable governmental positions, he also held non- paying positions. He was on the St. Anne's Vestry by 1704 and apparently served until his death in 1718. His attendance at meetings was at best spotty. He was also an alderman in Annapolis from 1708 until his death, and a colonel in the state militia.

Early in his career in Maryland, Bladen thought he might be able to make additional money as a publisher; but lacking training as a printer and apparently unable to hire a good one, he was not very successful, and so gave up the business. Instead, he decided to supplement his government incomes by becoming a contractor to build public buildings. He received a contract to build a new prison in 1701. It was completed in 1703. It was poorly constructed, using fewer and weaker materials than were required by contract. For example, the floor joists were neither as wide nor deep as required and he used only perhaps two thirds as many as he was supposed to. Bladen was ordered to correct deficiencies, which he perhaps did, but new evidence of shoddy work kept appearing year after year. A new prison was finally built beginning in 1736. Even though inadequacies of the prison construction had begun to appear, at least unofficially, by 1704, when the statehouse burned down in October 1704, Bladen got the job of rebuilding it. He did no better than he had on the jail, and the legislature finally canceled the contract and hired others to finish it. However, Bladen had already received three quarters of the payment
for building it. The new building was occupied in 1706, but there were unfinished or unacceptably finished elements that Bladen was told to correct, but he still had not done so by 1709, when he was dismissed. The new contractors did not finish work until 1713.

William Bladen married Anne van Swearingen in 1695. They had six children, including Anne, who married Benjamin Tasker, Sr. who is also buried in the churchyard. He was later a governor of Maryland. William's son, Thomas, who spent 30 years in England, returned in 1742, also as a governor of Maryland. Thomas is noted today for having started construction in 1742 of a governor's mansion that is today's McDowell Hall at St. John's College. Construction was halted in 1744, and the building, which came to be known as "Bladen's Folly," remained unfinished for 42 years.

Personal Prayers for Healing and Hope

St. Anne's Visits you at AAMC

If you are to be a patient at AAMC, please give the office a call and let us know! Or contact William at wbell@stannes-annapolis.org or 850-450-2801. And say yes, when the admitting person at AAMC asks if you would like a pastoral visit from someone from your preferred religious affiliation.

Pastoral visits by our Hospital Visitors are a great benefit of being part of St Anne's parish. Our visitors are compassionate, respectful and faithful. And they are all trained as Eucharistic Visitors.
A Community at Prayer

St Anne's is a community that prays for each other, our community and the world. Prayer is the web that binds us together in a web of caring, for each other and for Our Lord.

The Prayers of the People

At our Sunday morning services, we pray publicly for those who request our prayers. Generally, the person we pray for is suffering from some difficulty, illness, loss, or grief. We read the person's name aloud during the service, including their first and last name, so we need the person's explicit permission.

The Prayer Letter

We publish this letter weekly and copies are available in the church narthex. The Letter includes first name and last initial of the person. We pray for these persons at our weekday worship services.

If you wish to request intercessory prayer for yourself, a friend or family member, please call the office or contact:

A Year of Getting to Know God through the Bible

A new series has begun at our Sunday 5:30 PM service: A Year of Getting to Know God through the Bible. Over the course of the
next year, we'll base the music, readings, prayers, and message of our service on the story of the Bible and the God revealed there. This means that in thirty minutes a week you can get to know God and the Bible better. In the course of a year, you will come away with an understanding of who God is, what the Bible really says, and why the Bible is so important to us as a source for understanding who we are too. In addition to the Sunday evening 30-minute service, we'll be building a webpage that contains additional resources for deeper exploration and understanding.

We'll take some breaks here and there, for example, when Amy and Joe are on vacation, or when some other celebration takes precedence, and don't worry, if you can't come every Sunday evening, you won't feel lost when you do come. But making the commitment to attend regularly is one way to learn and grow over time. If you already love our 5:30 Sunday evening service, our format and style isn't changing at all—you'll just notice a sustained theme over time—a crucial, exciting, enriching, life-giving theme.

We began on March 5—the first Sunday of Lent. Trying out this service and a Year of Getting to Know God through the Bible will make a wonderful Lenten discipline. We hope to see you there!

For more information and a detailed description of each week's scriptures, reflections and prayers, visit our website at: https://stannes-annapolis.org/getting-know-god-bible/.

Habitat for Humanity is back in Annapolis!

As a member of the Anne Arundel Interfaith Coalition, St. Anne's has been working with ten other congregations in Annapolis to renovate an existing house at 123 Clay Street. Work began last fall and is expected to continue in 2017. Many thanks to those parishioners who have volunteered. If you would like to help or are interested in more information about Habitat for Humanity of the Chesapeake, contact Linda Silva at 443-249-0129 or at momsmai2@gmail.com.
Food Pantry

September is St. Anne's month to help restock the shelves in the pantry at the Light House. Over the summer, the shelves tend to get bare. The food is not for the guests of the shelter but for our neighbors right here in Annapolis who have homes but are short of funds to purchase food. Nonperishable food is packed into 2 bags to make 3 meals a day for 3 days and given out to those in need. Anyone in need can go to the shelter, talk with a social worker and receive food once a month. Many of the recipients just need a one-time helping hand to get them through a tough spot in their lives.

Graul's has donated grocery bags with handles. We will paste an outreach logo on the back and slip a list of the most needed items inside. The bags will be passed out every Sunday in September. Bring your donations back to church any Sunday in September or take them directly to the Light House.

Current needs: cold cereal, oatmeal, pancake mix and syrup, peanut butter (16 to 28 oz jars), jelly, canned vegetables (around 15 oz size) especially beans, peas, corn and tomatoes, canned fruit (15 oz size), apple sauce, spaghetti sauce, spaghetti noodles and other pasta, canned tuna, chicken and other meat and stew, macaroni and cheese mix, potatoes(canned or instant mashed), crackers (ie. saltines or other crackers packaged in sleeves), soup.
If you prefer to make a monetary donation make a check out to St. Anne's and mark on it "for the Light House pantry". We will use the money to purchase food during the fall as supplies dwindle. If you have questions, contact Nancy Greeley at momgreeley@aol.com or 410- 224-2975.

Cooking for the Shelter

On August 5, we had our annual cookout with the traditional hamburgers and hot dogs. When I went back to retrieve my forgotten grill tools, several shelter guests told me how much they enjoyed it. Thank you John Merrick, Mark Minnick, Nancie Kennedy, Deede Rivers, Sharon McElfish, Catherine Clark, Julie Rottkamp, Monica, Bill and Peter Barry, Bill Jeffreys, Tripp Trippitelli and Warna Gillies. A special thank you goes to John
Merrick, Charles Wynn, Mark Minnick, Bill Jeffreys and Bill Barry for cooking the burgers and hot dogs on the grill outside in the rather warm weather.

Since it can still be hot in September, we are going with a cool meal on September 6. We are planning tacos. We still need: two people to provide 3 dozen hard taco shells, one more person to provide a pan of chicken enchiladas, a pan of refried beans, a fruit plate or fruit salad, guacamole, 6-8 tomatoes and drinks (iced tea mix, 2 jars juice, 1/2 gallon milk).

To volunteer, contact Nancy Greeley at 410 224-2975 or momgreeley@aol.com or John Merrick at jayannp@aol.com (with a copy to Nancy Greeley).

**Family Cooking at the Light House Shelter**

Thank you to our fabulous volunteers for cooking at the Light House Shelter in June and July! In June we had the Loughlin and Larose families cook herbed chicken, Greek pasta salad, pita, hummus, and dessert. A big thank you JoAnna, Drew, Sofia, and Will! In July we made honey lime chicken tenderloins, coconut lime rice, green beans, brownies, and watermelon. Thanks to Chloe, Beth, and Rosetta for helping me prepare, cook, and serve this yummy dinner. It was another successful night of family cooking at the shelter - organized chaos that through teamwork results in a great meal and a wonderful service to our community. As always, two large pans of warm brownies were the first to disappear! Residents loved the island themed food with limes and coconuts.

Family cooking at the Light House Shelter is held the 3rd Monday of each month. We are always looking for volunteer families to come prepare, cook, and serve a meal for approximately 60 residents. This is a wonderful opportunity for the whole family to volunteer together and lovingly serve our community. Each month we need 2-3 families to prepare a main course, side dishes, and dessert.

**Additional opportunities for breakfast!**
Recently, my teen crew and I volunteered to make breakfast for the first time at the Light House Shelter. It was easy and much less work than dinners! If there are any St. Anne's families (with children over 10 years old) interested in volunteering please let me know and we can arrange a date and I will gladly sign us up - the Light House Shelter perpetually has cooking spots open for breakfast.

Breakfast is served weekdays at 7:30 AM for 30-35 residents and on the weekends at 8:00 AM for 15-20 residents. Kitchen access can be as early as 5:00 AM. We arrived at 6:00 AM and baked breakfast casseroles and cinnamon buns with plenty of time to spare and were done by 8:00 AM. Thanks to Chloe, Diana, and Jessica for your community service and waking up early ;) All volunteer time and talents are appreciated!

The shelter recently reminded all volunteer coordinators that only children 11 years and older are allowed to be in the kitchen and participate in food preparation. Please keep this restriction in mind when signing up for family cooking.

Signing up for St. Anne's family cooking at the Light House Shelter is now easier than ever - I've moved to using SignUpGenius to help with managing and scheduling. The link to sign up for our designated nights is http://www.signupgenius.com/go/10c0844a5ac2ba2fe3-stannes/.

It is never too early to sign up if you'd like to pick a date later in 2017. You will need to register at the SignUpGenius website. Please limit your sign up for one main meal contribution every 4-6 months, and a side dish/dessert contribution once every 2-3 months, so there are enough "slots" for all who wish to be involved.
Generally speaking, my teenage crew & I can fill in spots left vacant.

To learn more about participating or volunteering please contact Jill Lake at jilllake3@yahoo.com or 443-433-2373.
